

### 3. STUDENT SUCCESS GRANT

The aim of this Scheme is to enable Cook Islanders and PR's residing in the Cook Islands without any form of sponsorship to undertake post secondary education and training while living in the Cook Islands.

#### Partial reimbursement of tuition fees and prescribed text book fees

##### Criteria 1

Applicants who are unemployed or whose annual income is below \$15,000 may apply for the 75% reimbursement

##### Criteria 2

Applicants whose annual income is in the range of \$15,000 and over may apply for the 50% reimbursement

**Advertisements for Scholarships appear in the local media and Ministry of Education website in October/November each year**

**If you are concerned that you might not be eligible, give us a call and tell us about your circumstances so we can see how we might be able to help you.**

### What does it cover?

- Payment of tuition and textbook fees
- Payment of living allowance per week from the beginning of Semester 1 to final exam in Semester 2

### Who can apply?

All Cook Islanders which includes PRs and dependents who hold a current New Zealand passport

- School leavers who have completed at least the last 3 years of schooling in the Cook Islands
- A mature student who has lived 3 years in the Cook Islands

### Criteria

- School leavers must achieve University Entrance
- Academic ability in relation to the course selected (academic or vocational)
- Proven experience or knowledge in the area of study
- Commitment to full-time study
- Should not be in full-time employment or engages in no more than 12 hours per week of employment
- Students must complete at least 3 papers per semester

### Liability

- Students must maintain a high level of academic performance throughout the period of study
- Failure to successfully complete while under contract, will result in the student paying to the Government the amount paid to them while on study

## 2. STUDY GRANT

This is a one year scholarship suitable for people in the workforce who have a good study record and can make a reasonable time commitment to further study

### What does it cover?

- Payment of tuition fee
- Additional contribution per semester towards course related costs on receipt of invoice (text book)
- Assistance may be considered where it is compulsory for the applicant to travel within the Cook Islands to attend a compulsory session
- Students are responsible to pay the student association fee

### Who can apply?

All Cook Islanders including PRs and dependents who hold a current New Zealand passport

### Criteria

- Students must complete at least 4 papers per year
- Proven experience or knowledge in area of study and strong linkages to current or future workplace/career intention
- Strong linkage to labour market need
- Linkage to NSDP (academic or vocational)

### Liability

- Students must maintain a high level of academic performance throughout the period of study
- Failure to successfully complete at least 75% of courses in one year will require a 1 year stand down period
